

**Name:** Kaushal Shah

**Profession:** Compliance

**Role:** QA at Sun Pharmaceutical

**Product Knowledge:** Excellent

**Litigation Knowledge:** Poor

**Computer Skills:** PC and Microsoft Word

**Bio:**

Self motivated Quality/Compliance professional with extensive experience (over 7 years) in pharmaceutical cGMPs, Quality Systems/Compliance/GMP/GCP/GLP Auditing, Hosting Regulatory Inspections, Market Complaints/ADEs Handling, Field Alert Reporting, Prescription Drug Product Recalls, cGMP Training, Vendor Qualification/Management and Quality/Regulatory Compliance. Excellent team player with leadership qualities who is willing and able to initiate and implement new ideas. Personal attributes include time management, public speaking, interpersonal skills, written communication, accepting challenges and delivering timely results.

**Goals:**

Being able to easily generate reports on adverse events for a particular Sun Pharmaceutical's drug.

**Frustration:**

Kaushal has to upload data retrieved from search into Excel and then do Pivot Tables to get the following groupings.

- The Top 25 Adverse Events associated with This Search
- Outcome
- Patient Age
- Patient Weight
- Patient Gender
- The Occupation of the Person who Reported the Case
- The Source of the Report (Health Professional, Company Rep etc.
- The Year that they were Reported to the Manufacturer

**Ideal Work Flow:**

- Being able to get these groupings without using Excel Pivots etc. as it is time consuming process.
